## **FOR IMMEDIATE RELEASE!**

### **HARRIS & BRUNO'S NEW PRODCUTS DEBUT AT PRINT05 SHOW!**

*Sept., 2005*---Since the recent acquisition of ESS, Electro Sprayer Systems of Illinois, Harris & Bruno has been fast at work at enhancing and developing their new product line of sheetfed, auxiliary equipment. Debuting at the Print 05' this September at the McCormick Place in Chicago will be the Harris & Bruno Ink Agitator, the LithoCoat™ Specialty Coatings Circulator, the LithoSpray™ Powder Sprayer Systems, the LithoDry™ Dryer System and the Harris & Bruno Anti-Offset Spray Powder Line.

Since January of this year, Harris & Bruno has successfully brought all ESS operations to their Roseville, California headquarters, in order to apply the necessary engineering enhancements and manufacturing accommodations necessary for the increased work load. "We have to admit that it has been a little crazy around the office these past few months but we hope that our customers' haven't noticed anything other than business as usual", replies Nick Bruno, President. "Our focus still remains the same, to provide our customers with optimal service & support for all of our products, around the world," continues Mr. Bruno.

Weather you planned to, or not, the Harris & Bruno Booth (#1679) will be a must see for all Print 05' attendees this year! Aside from their new products, they have purchased a brand new trade show booth that is better equipped to showcase their equipment as well as offer a private conference/lounge area for their customers and OEM's. Be sure to stop by their booth and see for yourself how Harris & Bruno International is paving the way for sheetfed, offset auxiliary equipment.

Serving the offset and flexographic industry for the past 58 years, Harris & Bruno continues to be the premier supplier of printing & coating solutions for the offset and flexographic communities. They have field support offices across the US, Canada, Mexico, Pacific Rim and Europe and are headquartered on the West Coast at 8555 Washington Blvd., Roseville, CA., 95678. For more information, they can be reached at (916) 781-7676 or visit there website at [www.harris-bruno.com](http://www.harris-bruno.com) to learn more about their company and complete line of products.
