

Cell Solution™

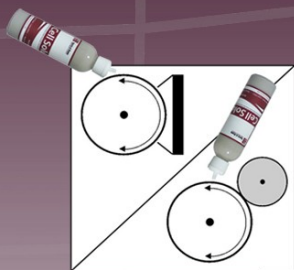

A Revolutionary Way to Clean Anilox Rolls and Back Cylinders

Harris & Bruno International's revolutionary Cell Solution™ is making an impact on how printers clean their anilox rolls and back cylinders. Today's printer understands the value of printing with clean rolls and cylinders, but usually only after dealing with dirty ones. Don't let this potential problem keep you from experiencing consistent coating practices on each and every job, or force you to replace your anilox rolls sooner than necessary.

Benefits of Cell Solution ...

- Increases anilox roll life and maintains consistent performance
- Clean rolls & cylinders facilitate consistent coating thickness
- For use with UV, water and solvent inks & coatings
- For use in and out of the machine
- For use with ceramic & chrome rolls
- Environmentally safe, easy to use and effective
- Backed by the iron-clad Harris & Bruno guarantee!
